OF ITS CERTIFICATE OF CONVENIENCE
AND NECESSITY TO PROVIDE WATER
SERVICE IN YAVAPAI COUNTY,
ARIZONA

DOCKET NO. W-02192A-07-0326

DECISION NO. 71190**FINAL ORDER**

Open Meeting
June 23 and 24, 2009
Phoenix, Arizona

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the
Arizona Corporation Commission ("Commission") finds, concludes, and orders that:

FINDINGS OF FACT

1. On May 24, 2007, Little Park Water Company, Inc. ("Little Park" or "Company")
filed with the Arizona Corporation Commission ("Commission") an application for an extension of
its existing Certificate of Convenience and Necessity ("CC&N") to provide water utility service in
Yavapai County, Arizona.

2. On March 20, 2008, the Commission issued Decision No. 70208 which was
amended by Decision No. 70612 on November 19, 2008, granting an Order Preliminary to the
issuance of the CC&N to Little Park upon completion of the following compliance items.

- a) File either of the following to demonstrate how Little Park intends to
fund construction of the arsenic treatment systems for both wells:

...

- i An application for Commission approval of financing under A.R.S. §40-285 along with evidence of having applied for a Water Infrastructure and Finance Authority ("WIFA") loan or another form of financing, to be filed in a separate docket, with a copy to this docket; or
 - ii A document evidencing an equity infusion by the owner, to be filed in this docket;
- b) File a copy of the Approval to Construct ("ATC") issued by the Arizona Department of Environmental Quality ("ADEQ") for the arsenic treatment systems for both wells;
 - c) File the Certificate of Approval of Construction ("AOC") issued by ADEQ for the installation of the arsenic treatment systems for the two existing wells;
 - d) File a copy of the AOC issued by ADEQ for the plant facilities needed to serve the CC&N extension area;
 - e) File a letter showing that the CC&N extension area's water consumption is reported with Little Park's annual Designation report to the Arizona Department of Water Resources ("ADWR");
 - f) File a letter from ADWR stating that Little Park's Designation continues in effect.

3. On May 15, 2009, and as required by Decision No. 70208, Little Park filed a Motion for Final Order because it had complied with the above requirements as follows:

- a) On May 1, 2008, Little Park filed an affidavit regarding arsenic treatment plant financing. The President and Owner of Little Park will fund any shortfall in the capital for construction of the arsenic treatment plant. Staff has reviewed the document and has found that it meets the requirements of Decision No. 70208.
- b) On June 20, 2008, Little Park filed a copy of the ATC for the arsenic treatment systems for both wells. Staff has reviewed the filing and has found that it meets the requirements of Decision No. 70208.
- c) On December 18, 2008, the Company filed a copy of the AOC for Well #1 and on January 13, 2009, the Company filed a copy of the AOC for Well #2. Staff has reviewed the filings and has found that they meet the requirements of Decision No. 70208.
- d) Compliance Item 2d above was eliminated by Decision No. 70612 on November 20, 2008.

1 e) Compliance Item 2e above was eliminated by Decision No. 70612 on
2 November 20, 2008.

3 f) On May 15, 2008, the Company filed a copy of the ADWR Designation
4 of Adequate Water Supply for the extension area. Staff has reviewed
5 the filing and has found that it meets the requirements of Decision No.
6 70208.

7 Based on its analysis, Staff has concluded that Little Park Water Company, Inc. has
8 complied with all requirements set forth in the Order Preliminary. Staff therefore recommends
9 that the Commission issue a Final Order approving the extension of the Company's CC&N to
10 provide water service in Yavapai County, Arizona.

11 4. Staff's recommendations are reasonable and shall be adopted.

12 CONCLUSIONS OF LAW

13 1. Little Park is a public service corporation within the meaning of Article XV of the
14 Arizona Constitution and Arizona Revised Statutes §§ 40-252, 40-281 and 40-282.

15 2. The Commission has jurisdiction over Little Park and of the subject matter of the
16 application.

17 3. In accordance with the Order Preliminary issued pursuant to A.R.S. § 40-282(D),
18 Little Park has complied with all conditions set forth therein.

19 4. Pursuant to A.R.S. § 40-282(D), it is appropriate to issue a Final Order.

20 ORDER

21 IT IS THEREFORE ORDERED that Little Park Water Company, Inc. application for
22 issuance of a Certificate of Convenience and Necessity to provide water service to the public in the
23 area more fully described in Exhibit A be and hereby is approved as discussed herein.

24 IT IS FURTHER ORDERED that Little Park Water Company, Inc. shall charge water
25 customers in the area described in Exhibit A its existing rates and charges until further Order by
26 the Commission.

27 IT IS FURTHER ORDERED that Little Park Water Company, Inc. shall file, as part of its
28 annual report, an affidavit with the Utilities Division attesting that the Little Park Water Company
is current on paying its property taxes in Arizona.

IT IS FURTHER ORDERED that, in light of the ongoing drought conditions in Central Arizona and the need to conserve groundwater, Little Park Water Company, Inc., is prohibited from selling groundwater for the purpose of irrigating any future golf courses within the certificated expansion area or any ornamental lakes or water features located in the common areas of the proposed new development within the certificated expansion area.

IT IS FURTHER ORDERED that this Decision shall become effective immediately.
